

Summer 2024

Message of the week

Thank you to all of our families in year 2 who have been supportive with the children for their SATS assessments this week. The children have been motivated and have worked really hard, we are very proud.

REMINDER: Conduct of Parents on the Playground and on School Site Children follow the model set by their parents and other adults

I respectfully remind you that all confrontational, aggressive or abusive conduct by adults, verbal or physical, whilst on school site will not be tolerated. This includes such behaviour towards members of the school community, parents, pupils and staff. Parents are expected to demonstrate a respectful and considerate approach towards my staff and any breach of this will not be tolerated.

We pride ourselves on working with our families for the best interests of the children so please allow us to do this.

Reward Assembly

Attendance:

KS1: 2D - 97%

KS2: 4CS & 4D - 98% -

Value of the week: **Determination**

Reading Cup:

KS1: 1H - 58%

KS2: 6K - 68%

Homework Heroes:

Keep up the reading 3 times per week!
We are ambitious learners and are looking for 80% of the class doing their best!
Class teachers check weekly and report to Miss Douglas.

Miss Douglas (our Reading Lead) checks the reading records every half term and is super impressed to see so many lovely comments about what you have read.

She is keen to get her librarians together to make new plans for the library in the next few weeks and will be looking for recommendations from you on what great reads you have had.

Important dates

Tuesday 18th June- Class photographs
Children to wear full uniform and not their P.E kit

Curriculum Corner

The Crescent has a broad and balanced curriculum offer through the subjects we teach. We value the importance of providing children with opportunities for enriching learning experiences through the 'Pioneer Passport'. Please donate to support this continuing next year:

<https://www.crowdfunder.co.uk/p/pioneer-pupil-passport>

Check out our learning gallery:

Reception- The children have made their own "Superhero's and used the different resources to stick and add the features.

Year 1 – In RE were learning about Hinduism. They have been looking at different Hindu stories.

Year 3-The children have been looking at the fossilisation process this week and created their own fossils using dinosaurs and clay.

The Nurture Group- The children were practicing good learning and listening on the carpet with Mrs Simpson.

Mrs Missons our Art Leader has been updating the Art displays around the building to celebrate student achievement.

ELP- In Rainbow class we have been learning "half an amount" using objects.

Year 2- Following on from our visit to The Florence Nightingale Museum, the children have been making lamps

Year 4 – were looking at friction of ice cubes coated in different substances such as flour, salt and sand!

Year 5- Their current maths working wall- Looking at number and place value.

Year 6- Chessington Trip- was a summer treat enjoyed by all linked to their International Primary Topic – science forces.
