**Summer  
2024**

### Message of the week

This is a very busy time of year at school and we part of that is the final summer term assessments. Well done to all of the children who have worked really hard during this time. The children have shown real determination even when faced with challenges.

Thanks to our families this week in supporting your child/children we have seen some truly amazing progress across every year group.

Please could you continue to encourage your child/children to read everyday, practice their Times Tables and complete homework.

**Thank you for all of your continual support.**

### **Passport Trips**

Exciting visits and inspiring visitors are an entitlement of every child within our family of schools, and we actively encourage creativity and innovation in providing these experiences.

The Pioneer Academy have started a crowdfunding project to raise funds for this very worthwhile cause and further details can be found here –

<https://www.crowdfunder.co.uk/p/pioneer-pupil-passport>.

**Please support The Crescent Primary school by making your donation to come directly to us rather than to the wider Trust pot, please indicate this when you donate by naming our school.**

### Reward Assembly

#### Attendance:

KS1: 2M – 95%

KS2: 5S - 95%

## Check out our learning gallery:

**ELP-** The children used our playground to show 'right and left' in Maths.

**Year 1-**As part of their research, the children went outside into the playground to investigate the different types of trees.

**Year 3 -** The children have been using secondary sources in history to find out information about Skara Brae.

**Year 4 -** Celebrating the end of assessment week after putting in all of their hard work!

**Year 6 -** participated in a RASASC workshop in school as part of The Crescent's Relationship and Health Education (RHE) Curriculum.

**Nurture Group-** The children were using their good listening skills to draw a giraffe.

**Reception-** Have been learning how to create artwork using different media; making a sunflower picture using tissue paper, wool, fabric and pipe cleaners.

**Year 2-** In Maths they have been finding  $\frac{1}{3}$  of objects.

**Year 5 -**As part of the children's learning in science this week they drew half their face as an art portrait and the other half to include characteristics they had inherited from family members.

**CALAT Family Learning-** Well done! to our families at The Crescent who have successfully completed the Family English course work!!!!!!

**Baby & Toddler Group-** Mrs Cope having fun at this week's Play & Stay with the children & families.
