# The Crescent Primary School

## Summer 1 2024

### Message of the week

Dear Parents/Carers, welcome back to Summer Term!

We hope you have had a restful break and were keen to return your children promptly on Monday.

It was wonderful to see so many of you attending parent's evening to discuss your children's progress.

If you weren't able to make for any reason, please speak to your teacher directly and they will create another opportunity for you.

### Pupil Led Assemblies

Following on from our last newsletter where we announced the opportunity for Crescent children to use their pupil-voice to deliver an assembly to the school about something they are passionate about or a topical issue that they want to raise awareness for with their peers.

We have been inundated with requests to book slots in and we are already booked up until the end of half term.

These assemblies can support your child with their leadership, team work, public speaking, confidence and empowerment so talk to your child and encourage them to come and book in with Ms Denman.
