**Summer 1  
2024**

### Message of the week

Dear parents, we work really hard to teach, model and develop our core values as a school focus each week.

**Character Education** is the wider personal development of a child beyond the academic education they receive in school. It aims to instil in pupils a number of key characteristics and values such as resilience, honesty, motivation and humility, all of which will help them in their adult lives.

Our School values that we promote are: **Responsibility, Kindness, Determination, Respect, Creativity and Honesty.**

### Reward Assembly

#### Attendance:

KS1: 2M – 100% - OUTSTANDING

KS2: 5S – 96.1%

Value of the week: **Kindness**

#### Reading Cup:

KS1: 3H 66%

KS2: 4CS 75%

#### Homework Heroes:

Children who are learning their spellings, times tables and reading regularly are more likely to access the curriculum easier so please ensure your child is trying.

### Important Dates Next Week

**Wednesday 1<sup>st</sup> May** - Reception Vision Testing

**8:45 a.m. – 10:45 a.m** – Toddler Group

**Thursday 2<sup>nd</sup> May** – **SCHOOL IS OPEN**  
(Polling station accessible from Whitehorse Road gate)

**Friday 3<sup>rd</sup> May** coffee afternoon at 2pm. Lost Property available for reclaiming.

### SAVE THE DATE: CAREERS DAY 6<sup>th</sup> JUNE

We will be increasing your child's awareness of the variety of jobs in the world, the skills they are building for the future and a better understanding of what education is needed for the jobs that interest them.

**We are looking for:** Volunteers from different professions to share their jobs. Accountant, sports development officer, jewellery designer, sports coach, speech and language therapist, barber/hairdresser, radio presenter, electrician service men and women, events planner sales assistant. As many as we can!

**If you would be willing to come into school** for the morning so that children can ask questions about your job role and if appropriate, a simple task then complete this form to let us know <https://forms.gle/pbdLJbWmPg2waPzW9>

We anticipate an exciting day learning about many different careers and beginning to think about what the future holds for them!

## Check out our learning gallery:

The Lighthouse were reading a book and then using puppets to retell the storey.

Year 2 have been finding the mass of everyday objects using scales

In PE Year 3 have been learning different rugby skills, throwing and kicking the rugby ball.

Year 3 have been thinking about measurement in mm,cm & m.

Year 5 children created and delivered an assembly about the Eco System with a great quiz.

Year 4 went to the Brit school for an acting workshop. They were learning about freeze frames for their own utopia!

In KS2 ELP they were learning to show 'multiplication sentences' using the concrete method.
